TEACHING EXPERIENCE

Certifying Practicum – Grade 6/7 Classroom (10 Weeks)

McGowan Park Elementary School, Kamloops BC, 2023

- Valued the success of all students by finding connection points with every student and creating lessons that all students could benefit from by using a UDL mindset and framework.
- Continued to refine and discover new assessment techniques.
- Altered DI and alternate assignments for students that required them for appropriate lessons and projects.

September "Start Up" Practicum – Grade 6/7 Classroom (3 Weeks)

McGowan Park Elementary School, Kamloops BC, 2022

- Focused on creating a welcoming and inclusive classroom environment and getting to know the students.
- Creating group centered ADST lessons so students work together to achieve success.
- Classroom management and expectations for the school year.

Spring Practicum – Grade 5/6 Classroom (2 weeks)

Kay Bingham Elementary School, Kamloops BC, 2022

- Created and taught 2 units in Science and Mathematics.
- Taught Indigenous probability games.

First Practicum – Grade 7 Classroom (7 days)

David Thompson Elementary School, Kamloops BC, 2021

- Created and taught four English Language Arts lessons.
