

On behalf of Roxane Letterlough, we are offering current BEd students and recent graduates the opportunity to submit a lesson plan to be featured on a Secwepemc educational website. Details are outlined below.

Weytkp,

I am emailing to invite you to be a part of a Secwepemc educational website geared towards educators incorporating Secwepemc and other Indigenous content into their classrooms or who are wanting to learn more about the Secwepemc people. This initiative has been funded by the Ministry of Advanced Education, Skills and Training around the Truth and Reconciliation Commission Calls to Action.

The website will have a series of lesson plans for all ranges, grades and content that incorporate Secwepemc or other Indigenous worldviews and content. Attached is a lesson plan template that should be filled in with as much detail for the reader to implement. Any worksheets or blackline masters must also be included.

We will be accepting 33 Lesson Plans and a small working group will review to ensure the plans are adequate. It is not guaranteed that each lesson plan will be used or accepted. Honorariums for each lesson plan accepted will be \$150. You can submit more than one lesson plan.

Please email: [REDACTED] with subject line **TRC Lesson Plan**. I will not be accepting lesson plans directly as I do not want to chance missing a submission in my inbox.
